The MINI Clubman Cooper S Exclusive with optional Indian Summer Red exterior paint, roof and mirror caps in black and 18" Multiray Spoke alloy wheels.

# OPEN MORE DOORS.

The MINI Clubman, sophisticated and quintessentially urban, is artfully constructed with practicality in mind. Being 4.25 metres long, it's a step up in size and in functionality, with a roomy interior superbly crafted from top-quality materials. It is mature and worldly in its outlook, a connoisseur of understated style and robust craftsmanship. And with its six doors – including split rear doors – and seating for five, it's perfect for long and short trips.

## CHOOSE YOUR PERFORMANCE.

### COOPER

The MINI Clubman Cooper is powered by a 1.5 litre MINI TwinPower Turbo 3-cylinder petrol engine delivering 136hp / 100kW and 220Nm (with overboost), so it has plenty of get-up-and-go.

### COOPER S

To really take things up a gear, climb aboard the MINI Clubman Cooper S. Under the bonnet it boasts a 2.0 litre MINI TwinPower Turbo 4-cylinder engine that generates 178hp / 131kW. The front and rear aprons, bonnet air scoop and dual tailpipes hint at the power waiting to be unleashed on the road.

### JOHN COOPER WORKS

With a 2.0 litre 4-cylinder petrol engine, the John Cooper Works 306hp combines fascinating extremes and sophisticated style. The standard aerodynamic kit includes front and rear bumpers with sporty John Cooper Works styling which underline the John Cooper Works heritage.

<sup>†</sup>These figures were achieved using the WLTP test procedure. WLTP has been used as the applicable CO<sub>2</sub> figure from 1 January 2021 for vehicle registration tax (VRT). The figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. <sup>^</sup>Luggage capacity varies depending on whether the rear seats are up or folded down.

# SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that's certainly not the whole story. Here are some other things you might find interesting:

## GENUINE MINI ACCESSORIES.

Genuine MINI Accessories are the only range of products which are approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories.

Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from all-weather floor mats and door lock caps to MINI Advanced Car Eye 3.0 and Travel and Comfort systems for rear seat entertainment and storage.

Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available, speak to your local MINI Centre or [click here](#).

## FINANCE THAT FOCUSES ON YOU.

Driving away in your new MINI could be closer than you think. From getting an online quote, to getting behind the wheel, we make the financing journey easier. We offer three tailored finance products, so whether you want to own or lease your MINI, you'll find a finance product that works for you. [Click here](#) for more information. What's more, you can manage your agreement online with MyMINI Finance.

## MINI Select PCP (Personal Contract Purchase).

Having three options at the end of your agreement makes this our most popular finance product. At the end of the agreement, you can part-exchange the vehicle for another vehicle of your choice; hand the car back and pay no more; Keep the current vehicle – pay the final lump sum payment plus the option to purchase fee and the car then belongs to you. Mini Select PCP is a form of Hire Purchase. For New and Approved MINIs. Additional charges may be payable for both excess mileage (actual mileage higher than agreed contract mileage) and vehicle condition (using the standards set by the BMW Financial Service Vehicle Condition Guide).

## MINI Hire Purchase.

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours, provided you have made all of the necessary payments due under your agreement, including an option to purchase fee at the end. We remain the owner of the vehicle during the agreement until you have made the final payment. For New or Approved Used MINIs.

## MINI Contract Hire.

Enjoy city thrills or big adventures by simply hiring your MINI instead of owning it. At the end of the agreement, simply hand your MINI back. We remain the owner of the vehicle during the agreement. Not available on Approved Used MINIs.

BMW Financial Services (Ireland) DAC trading as Mini Financial Services is regulated by the Central Bank of Ireland. Finance provided subject to status. Offer available to Republic of Ireland residents only. Over 18s only. A guarantee may be required.

### Warning:

You may have to pay charges if you pay off a hire purchase agreement early.

### Warning:

If you do not meet the repayments on your hire purchase agreement, your account will go into arrears. This may affect your credit rating, which may limit your ability to access credit, a hire purchase agreement, a consumer hire agreement or a BNPL agreement in the future.
